

F. Comments by the Public on Non-Agenda Items

THE TIME ALLOWED PER NON-AGENDA ITEM FOR COMMENTS MADE BY THE PUBLIC IS LIMITED TO FIVE MINUTES.

The City Council cannot deliberate or take any action on a non-agenda item unless there is factual evidence presented to the City Council indicating that the subject brought up by the public does fall into one of the exceptions under Government Code Section 54954.2 in that (a) there is an emergency situation, or (b) the need to take action on the item arose subsequent to the agenda's being posted. Unless the City Council is presented with this factual evidence, the City Council will refer the matter for review and placement on a future City Council agenda.

Felix Huerta spoke regarding his concerns of transferring a position from one department to another department, the meet and confer process, and requested a meeting with the City Manager regarding the same.

Robin Rushing spoke regarding his concerns about the process associated with raising rates and the Proposition 218 public hearings. He also spoke regarding his concerns about State spending.

G. Comments by the City Council Members on Non-Agenda Items

Council Member Mounce requested that the mobile food vendor ordinance be brought to Council for discussion in light of the concerns regarding the number of vendors and parking. She also suggested the formation of a transit-oriented citizen committee to assist with transit challenges in the community. Mr. Schwabauer stated there is an existing ordinance that prohibits certain commercial vehicles from parking in residential areas.

Council Member Hitchcock reported on the success of test scores for Claremont Elementary School and the Lodi Unified School District.

Council Member Johnson stated he is disappointed that AFSCME is conducting labor negotiations in public in light of his previous involvement in the process and expressed his confidence in the Human Resources Manager's ability to address the matter.

Mayor Hansen reported on his attendance at meetings and specifically discussed renewable standards and the ability to subscribe to green energy outside the State of California.

H. Comments by the City Manager on Non-Agenda Items
